

Improve Transportation for People with Disabilities

Please participate in this short [web survey](#) and encourage others to do so!

<http://www.surveygizmo.com/s3/882523/TransitChoices>

The Disability Rights Education & Defense Fund (DREDF) is researching what factors are most important to riders with disabilities when deciding which transit mode to use. The confidential survey results will be part of a national study to improve bus and train systems for people with disabilities. Please take [the survey](#), and encourage others to do so!
